

Quarters for Kids Campaign

Did you know that one in seven Coloradans don't know where their next meal is coming from? Hunger is real and it affects people in our own communities.

My class is organizing a Quarters for Kids Campaign for Food Bank of the Rockies. ONE quarter provides ONE meal for our neighbors in need! My classmates and I are collecting as many quarters as we can to help fight hunger and feed hope.

Do you have spare quarters that you can contribute to my campaign? I appreciate you helping me fight hunger and feed hope!

Sincerely,

Quarters for Kids Campaign
