Some people in our community don’t have enough food to eat. This is very sad. Food Bank of the Rockies helps distribute food to pantries, soup kitchens, shelters and other places where people who need help can find food to take home.
Food Bank of the Rockies serves most counties in Northern Colorado and the entire state of Wyoming. We have food distribution centers in Denver, Palisade and Mills (Casper) Wyoming.
Fill in the blanks to spell the snack.

Circle all the food items and cross out anything that should not go inside the box.

Agencies load boxes of food into their vehicles and take the food to families in need.
People and companies donate food and money to help Food Bank of the Rockies distribute food. Without donations we couldn’t feed our hungry neighbors!
